

Report from Philippine section – Visit of President Jacob Park to Manila

Honor Society for Science and Global Oral Health

President Jacob Park made a short visit to Manila, Philippines from September 2 to 4, 2022. He arrived evening of Friday, September 2, and was billeted at the Hilton Manila Hotel.

The next day, September 3, Saturday, a short continuing education seminar from 3 pm to 6:30 pm, was conducted by Dr. Park. The topic was clinical occlusion. The seminar was held at the Quezon City Sports Club, in Quezon City Metro Manila. 25 in-person dentists attended and about 80 dentists joined the seminar online, namely, via Zoom link.

At 7 pm, at the same venue, the ADI Philippine Section held its 3rd quarterly meeting. Fellow Michelle Segarra, the current president of the ADI Philippine section welcomed Dr. Park during the meeting, and Dr. Park addressed the group. He also gave the group a Regent's Medallion. There were about 20 fellows in attendance and another 20 fellows who attended virtually, again, namely, via Zoom link.

The next day, Sunday September 4, I and president Michelle Segarra, together with our daughter Saphie, treated President

Park to a Filipino Lunch, and drove him around Metro Manila for a little bit of Sightseeing. We bought him to the airport around 7 pm, well ahead of time to catch his flight back home.

ADI Philippines president Michelle Segarra (at foreground) and two other ADI fellows at the front seats, listening to Dr. Jacob Park, during the CE seminar.
